

# Jym Bocala

## FRONTEND DEVELOPER

---

0422672865 | jym.bocala@gmail.com | Melbourne, VIC

[LinkedIn](#)

A highschool teacher pivoting careers into the web and software development industry. Driven and eager to learn, with the determination to be a better developer every day.

---

## SKILLS & INTERESTS

**Skills:** React, Node.js, Express.js, JavaScript, CSS/SASS, HTML, Bootstrap, Webpack, Jest, Git

**Interests:** Web3, Cryptocurrency, Tennis, Leadership, new technologies

---

## PROJECT EXPERIENCE

### Tripcards

Node.js | Express.js | Jest | Bootstrap

Extracting data sources from multiple APIs, this is a dynamic travel weather planning application that helps people plan trips by generating weather forecasts for the places they're visiting.

### Meme Generator

React.js | Netlify

The meme generator is a fun and dynamic web app developed using React. The app uses hooks (useState and useEffect) to handle data fetched from an API, to set states in custom react components.

---

## WORK AND LEADERSHIP EXPERIENCE

**Relief Secondary School Teacher**

Feb 2022 - Present

**Heritage College**

Highlights:

- Developed VCE-level Unit Plans and individual lessons for Years 11 & 12 HHD (Human & Health Development).
- Adapted to different classes, lesson requirements, and year levels daily.
- Teaching and facilitating the learning of different class cohorts in all subject areas.

**English Language Teacher**

Jan 2020 - Mar 2021

**DadaABC & Palfish**

Highlights:

- Designed teaching resources and facilitated 4-5 online English lessons per day.
- Connect and build rapport with clients and their students.

**International Volunteer**

Mar 2015 - Jan 2018

**ADRA Australia**

Highlights:

- Lead a team of 15 people to raise funds for building materials, then travelled to a remote community in the Philippines where we constructed an Early Learning Centre.
- Total of 225 beneficiaries of the people in the community.
- Completed two other volunteer trips to Vanuatu and the Philippines. Activities consisted mostly of manual labour for secluded communities.
